Tier 1

450 coins

Shoot Your Shot

Your message is announced and the person accepts.

How to play

1. Write your shot

Write your question or message on the chit. Choose your words wisely.

2. Name your target

Clearly write the name of the person your message is intended for.

3. Own your shot

Don't forget to write your own name on the chit too. Anonymous... for now.

4. Drop it in

Fold your chit and put it into the designated Shoot Your Shot box.

5. The MC picks

The MC randomly picks a chit and reads the question/message out loud on the microphone. Yep. In front of everyone.

6. Accept or decline?

The intended person gets the choice: no pressure, no awkwardness. Their choice is final.

7. If they accept...

The mystery is over! The name of the person who wrote the chit is revealed. Congratulations... YOU SHOT YOUR SHOT.

If they decline, the writer stays anonymous. Offensive, discriminatory, threatening or sexually inappropriate messages may be rejected by the runner.

Tier 1

450 coins

Spin the Wheel

The section beneath the pointer decides your result.

How to play

1. One spin. One shot.

You get ONE spin of the wheel. Make it count!

2. Start at the start

The wheel must be spun from the designated starting position.

3. Let it stop!

No stopping, nudging, touching or helping the wheel. Let it come to a complete and natural stop.

4. Where you land = what you get

The section/number where the pointer lands determines your prize or result.

5. Tricky landing?

If the pointer lands ambiguously between two sections, the Game Runner has the final call OR you may be given one re-spin, at the Game Runner's discretion!

6. Instant result!

Your result will be announced immediately after the spin.

The wheel's outcomes must be marked before play and cannot change during the game. Ask the runner to confirm any reward before your spin.

Tier 1

450 coins

Wing Person for Hire

One introduction attempt, not a competitive prize.

How to play

1. Pick your Wingperson

Choose the Wingperson you want on your side. Pick wisely. This is your teammate now.

2. Pick your person

Tell the Game Runner who you'd like to be introduced to. Your mission has been assigned.

3. Let the Wingperson work

Your hired Wingperson must make the introduction!

4. Mission: introduce

The game is successfully completed once the Wingperson has introduced you to the person you selected. What happens after the introduction? That's up to you.

5. No pressure

The person being introduced to cannot be pressured, forced or made to continue the interaction. An introduction is the goal, not a guaranteed conversation or anything beyond that.

6. Wingperson commitment

Once a Wingperson accepts the hire, they should complete the introduction unless there is a genuine reason they cannot. No disappearing acts.

7. One shot only

One payment = one introduction attempt. Choose your target. Choose your Wingperson. Then... LET THEM COOK.

Tier 2

Drop the lemon? Restart that obstacle! No lemon, no glory.

6. Get dizzy

Complete all 7 rounds around the cone without stopping or falling.

7. Hold that pose

Strike the yoga pose and hold it for 10 full seconds.

8. Chug checkpoint

Finish the specified quantity at the chug station as quickly as possible.

9. Your drink, your choice

Don't drink alcohol? No stress! A non-alcoholic option will be available.

10. Show us the gains

11. Runner rules

The Game Runner has the final say on form, penalties and completion.

Tier 2

750 coins

Cricket

The team with the highest score wins.

PRIZE: 1 Pinkredible

How to play

1. Pick your side

Players are divided into two teams. Choose your batters wisely.

2. One innings. Make it count.

Each team gets one short innings to put runs on the board. No second chances. No 'we'll get them next innings.'

3. Limited balls

Each player gets a predetermined number of balls. Every delivery counts. Make them count!

4. Score those runs

Runs are scored according to the agreed game rules. Swing big. Run fast. Rack up the runs!

5. Wicket! You're out.

A player can be dismissed by the agreed methods: bowled, caught or run out. Once you're out, you're out!

6. Keep an eye on the score

The Game Runner will keep track of the runs, wickets and valid deliveries throughout the game.

7. Tied game? Showdown!

Both teams finished on the same score? Time for a ONE-BALL SHOWDOWN. One ball. One moment. One chance to win.

8. Game Runner = final call

The Game Runner decides whether a delivery is legal, confirms the runs and records the official score. What the Game Runner says, goes!

Tier 2

750 coins

Issue With a Tissue

First team to complete a valid transfer through all five players.

PRIZE: 1 Pinkredible

How to play

1. Build your team

Two teams of 5 players line up and get ready for battle.

2. Start with the tissue

The first player holds the tissue using only their mouth. Hands are officially out of the game.

3. Pass it on

Transfer the tissue from your mouth to the next player's mouth without using your hands. Sounds easy. It isn't :)

4. Keep it moving

Continue passing the tissue down the line until all 5 team members have successfully received it.

5. Leave a little behind

Here's the catch... After making their transfer, every player must have some piece or residue of the tissue remaining in their mouth. No evidence? No win!

6. Dropped it? Big issue.

If the tissue is dropped at any point, the entire team goes back to the beginning. START AGAIN FROM PLAYER ONE. No shortcuts. No mercy.

This is a mouth-contact activity. Check hygiene and suitability with the runner before joining; do not swallow tissue or participate if uncomfortable.

Tier 3

1,000 coins

Limbo

Last participant remaining wins.

PRIZE: 1 Pinkredible

How to play

1. Take the challenge

At the beginning of your turn, take the designated drink/challenge and get ready for the bar.

2. Go under!

Make your way underneath the limbo bar without touching it or falling.

3. It gets lower!

Survived the round? Nice. The bar goes lower. And lower. And lower...

4. Face up

Your body must remain facing upward while passing underneath the bar.

5. No hands!

Hands cannot be used to support yourself on the floor. You've got to trust the limbo skills!

6. Touch it or drop it

Touch the bar? Fall down? You're OUT!

The last person standing takes the crown and the Pinkredible! A non-alcoholic alternative is always available.

Tier 3

1,000 coins

Bombastic

Last participant remaining wins.

PRIZE: 1 Pinkredible + a shot

How to play

1. Get in line

5 players. One line. One bomb. Good luck.

2. Start the countdown

The Game Runner starts the timer, but keeps the duration a secret.

3. Copy. Add. Pass.

Player 1 does a move. Player 2 repeats it and adds a new move. Player 3 repeats both and adds another. And so on... Once it reaches the end of the line, the sequence starts again from the other end.

4. Don't hold the bomb

Keep it moving. Deliberately holding onto the bomb for too long = not cool.

5. Boom!

When the timer goes off, whoever is holding the bomb is ELIMINATED. They take the agreed consequence, a shot, and leave the game.

6. Reset & repeat

The timer resets. The bomb keeps moving. Repeat until only one person remains.

Pass the bomb safely. No throwing it at people or deliberately stopping someone from catching it. Keep it fun. Keep it moving. A non-alcoholic alternative is always available.

Tier 3

1,000 coins

Minute to Minute

Solo: finish before time runs out. Group entry: fastest finisher wins.

PRIZE: 1 Pinkredible

How to play

1. Ready, set, GO

The timer starts when the Game Runner says GO!

2. Roll the dice

Roll the dice. 7 or more? You're in. 6 or less? Sorry, roll again.

3. Ball it up

Get the ball from one end of the table to the opposite edge with exactly 7 taps.

4. Stack attack

Your dice total = your cup count. Rolled an 8? Stack 8 cups. Easy math, right?

5. Shot & flip

Take your shot, then flip your cup and land it upside down.

6. Messed up? Do it again.

Miss a stage? Repeat that stage until you nail it.

7. Beat the clock

Complete the entire sequence before the timer runs out.

8. And the winner is...

Anyone who completes all the stages within the timer wins a Pinkredible.

9. Group entry? Bring it on.

Everyone can play, but only the fastest person takes home the Pinkredible.

Listed as Minute to Win It at the payment desk. Confirm the dice setup and timer with the runner before play. The drink may be alcoholic only where legally and operationally permitted; a non-alcoholic alternative is always available.
