Shoot Your Shot

Your message is announced and the person accepts.

HOW TO PLAY

1. Write your shot

Write your question or message on the chit. Choose your words wisely.

2. Name your target

Clearly write the name of the person your message is intended for.

3. Own your shot

Don't forget to write your own name on the chit too. Anonymous... for now.

4. Drop it in

Fold your chit and put it into the designated Shoot Your Shot box.

5. The MC picks

The MC randomly picks a chit and reads the question/message out loud on the microphone. Yep. In front of everyone.

6. Accept or decline?

The intended person gets the choice: no pressure, no awkwardness. Their choice is final.

7. If they accept...

The mystery is over! The name of the person who wrote the chit is revealed. Congratulations...
YOU SHOT YOUR SHOT.

If they decline, the writer stays anonymous. Offensive, discriminatory, threatening or sexually inappropriate messages may be rejected by the runner.
