Spin the Wheel

The section beneath the pointer decides your result.

HOW TO PLAY

1. One spin. One shot.

You get ONE spin of the wheel. Make it count!

2. Start at the start

The wheel must be spun from the designated starting position.

3. Let it stop!

No stopping, nudging, touching or helping the wheel. Let it come to a complete and natural stop.

4. Where you land = what you get

The section/number where the pointer lands determines your prize or result.

5. Tricky landing?

If the pointer lands ambiguously between two sections, the Game Runner has the final call OR you may be given one re-spin, at the Game Runner's discretion!

6. Instant result!

Your result will be announced immediately after the spin.

The wheel's outcomes must be marked before play and cannot change during the game. Ask the runner to confirm any reward before your spin.

BEFORE YOU PLAY

Play fair. The runner explains the format and decides disputes. No interference; respect consent. Alcohol is always optional, with a non-alcoholic alternative.

Paid play starts after the runner confirms your coin payment. Once a game starts, its entry fee is non-refundable. Free games need no coin payment or NFC scan.

Confirm the fee and local format with the runner before paying. Donations start at 150 whole coins. Party entry is 18+.
