Wing Person for Hire

One introduction attempt, not a competitive prize.

HOW TO PLAY

1. Pick your Wingperson

Choose the Wingperson you want on your side. Pick wisely. This is your teammate now.

2. Pick your person

Tell the Game Runner who you'd like to be introduced to. Your mission has been assigned.

3. Let the Wingperson work

Your hired Wingperson must make the introduction!

4. Mission: introduce

The game is successfully completed once the Wingperson has introduced you to the person you selected. What happens after the introduction? That's up to you.

5. No pressure

The person being introduced to cannot be pressured, forced or made to continue the interaction. An introduction is the goal, not a guaranteed conversation or anything beyond that.

6. Wingperson commitment

Once a Wingperson accepts the hire, they should complete the introduction unless there is a genuine reason they cannot. No disappearing acts.

7. One shot only

One payment = one introduction attempt. Choose your target. Choose your Wingperson. Then...
LET THEM COOK.

BEFORE YOU PLAY

Play fair. The runner explains the format and decides disputes. No interference; respect consent. Alcohol is always optional, with a non-alcoholic alternative.

Paid play starts after the runner confirms your coin payment. Once a game starts, its entry fee is non-refundable. Free games need no coin payment or NFC scan.

Confirm the fee and local format with the runner before paying. Donations start at 150 whole coins. Party entry is 18+.
